

Dear FCC,

As I understand, it's your job to make sure broadcast stations obey the law and serve the PUBLIC INTEREST. In the case of Sinclair Broadcasting, ordering their stations to air an anti-John Kerry documentary by calling it "news" cannot be legal and is at the very least unethical! Could the documentaries, Fahrenheit 9/11 or Iraq: Uncovered be aired as news shows?? I can only imagine the uproar we'd hear from the Republican Machine and the Religious Right! You need to do your job and defend the public interest----NOW!

One-sided programs, like "Stolen Honor", do not serve the public interest and are harmful to our democracy. Please do not allow Sinclair Broadcasting to so boldly disregard the law and ethics of their profession!

This is a perfect example of the dangers of media consolidation. When large companies control the airwaves, we get more programming for profit instead of for unbiased news. How can this be in the public interest???

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show that the license renewal process needs to be thorough and serious.

Once again....please do not allow Sinclair to air "Stolen Honor" because it's blatantly biased and politically one-sided. Thank you.
